NATIONAL ACADEMIC DEPOSITORY (NAD)

National Academic Depository (NAD) is an initiative of the Ministry of Human Resources Development, Govt. of India (MHRD) to provide an online storehouse of all academic awards viz. certificates, diplomas, degrees, mark-sheets etc. It allows the academic institutions/boards/eligibility assessment bodies etc. to lodge and upload the academic awards which are authenticated and validated. NAD would be of immense benefit to various stakeholders viz., academic institutions, students, prospective employers etc, as now degrees, mark sheets, certificates etc., would be available with just a click of the mouse.

For more details about NAD visit : <https://nad.digitallocker.gov.in/login>

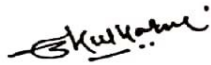

Students who have already registered themselves in NAD and holding a valid NAD ID are required to inform the details to the NAD Cell for linking and mapping activity.
